Library News

Thank you to Donna Jones. Donna was cleaning out some of her stuff and found a book she thought might work well in the Model T library. We now have the "Ford Treasury of Favorite Recipes from Famous Eating Places, Vol. 2" Let me know if anyone would like to take a look at this. - Patty Girman

President's Message

Here it is April already. Only 2 months from the National Tour. As noted in this newsletter, the April meeting will be all about the National Tour. While this informational meeting may be a little late, the Tour Committee has been working their fingers to the bone on details. Thanks to everyone for their patience.

Unfortunately, the safety inspection in March had to be cancelled due the field conditions at the Haase home. So, in true baseball tradition, we have scheduled a double header on April 7th. The safety inspection will be held at the Nelson's barn in conjunction with the pancake breakfast. Thanks to the Nelson's for offering their space.

Keep an eye out for flash tours or garage days in the next couple months.

Andy

Redwood Tree to Pacific Seas 2018 National Tour Update

The April club meeting will be devoted to a day by day review of the National Tour. I will walk thru the activities for each day. There will be a signup sheet for the different tasks. Don't be afraid to sign up for tasks on different days as most tasks only will take an hour or so to complete. The task list was too big to fit into the Newsletter. At the meeting we will pass around a couple of clip boards with the list for you to sign up. The club member registration form is attached. You have the option to sign up for the complete tour, which is highly recommended. This will give you access to all of the activities available on the tour as well as the tour bag, lunches, Sunday reception, access to state parks, Sturgeon's Mill/BBQ and Friday banquet. The other option is to purchase the "Party Pack". It only includes the welcome reception and the closing dinner banquet, but no touring is included with this option. The welcome reception includes a light dinner and dessert bar. This is a great time to meet other model T's and promote our club. Please try and attend. The closing banquet is a first class dinner with all the fixin's. This will be a great event you will not want to miss.
