## PRESIDENT'S MESSAGE

July has come and gone, fairly uneventful though we did have a good turn out for the Penngrove Power & Implement Museum tour.

A little housekeeping. As you were alerted, there was a scam sent to our members last month. Just a reminder, no one from the Model T club will email you asking for money. If you receive such an email let me know so I can inform the club of a potential scam. While we are on the subject, you grandson is probably not going to call from an Arizona jail wanting bail in the form of cash cards from Walmart.

After missing a couple months, Garage Day returns. Mark your calendars for August 16th, my shop, 9 am. We're going to adjust the brakes on Vince's 1910 Touring plus whatever else pops up.

It's time again for the T&A Tour Lets try to outnumber the A's this year.
