# President's Message

Welcome to September, Redwood Empire Model T Club. While we had a successful Thank You Tour in August, We don't currently have a tour for September. There are a couple ideas bouncing around so watch your email box for a flyer.

This club depends on volunteers to thrive. While a lot of energy was put into the national tour, our monthly tours are really the reason we are here. Without a tour chairman this year it has been difficult to coordinate tours. Hopefully we can shake it off and return to a normal tour schedule.

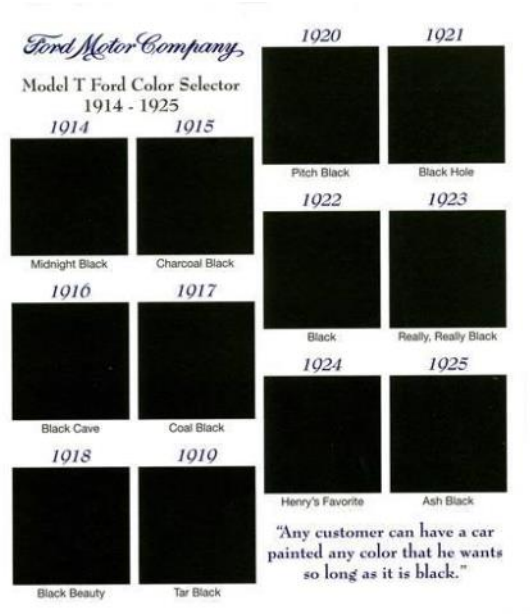

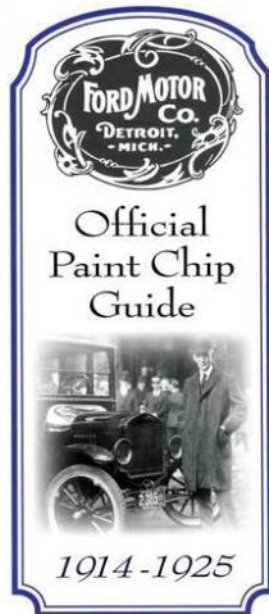

With Ginny stepping down as editor it has become harder to generate newsletter content. Ginny did 95-100 percent of all the content in the past. So if some of us can step up with tour reports or other interesting content it would be helpful.

August 25th the REMTC hosted a “Thank You Tour”, to show their appreciation to all the members for all the great effort and cooperation and the many hours the volunteers had contributed to the huge success of the National Tour. We met at Macy’s parking lot in Santa Rosa, where there were approximately 18 T’s and a couple of modern cars. We toured up the Old Redwood Highway to Windsor and then on up Chalk Hill road to the Alexander Valley and into Cloverdale where lunch was paid for by our club, at Cloverdale’s Hamburger Ranch and Pasta Farm. It was enjoyed by many.
